With reference to the correspondence ending with your D.O.letter No.A.F.1869/Ft. dated the 23rd instant, I have the honour to forward herewith the marginally noted extraordinary pension pa on behalf of the family of late K.Ume-Singh, Forester, Begur Range, Mysore Division and to state as follows:-

1) Application for grant of extraordinary pension
2) List of the names and ages of the surviving kindred of late K. Ume Singh, Forester.
3) Mr.L.Bapu Singh&s letter dated 10-9-41 to the District Forest Officer, Mysore Dn.

It is reported that in the morning of the 27th April 1941, the above mentioned Forester and Forest Guard Mada Setty, were going on bicycles in the Begur-Paladakadu Road to attend to planting works in the course of execution of their duties. On the way near the 5th mile stone they were chased by a wild elephant(tusker) and the Forester killed on the spot. A copy of report number 633 dated the 22nd May 1941 detailing the circumstances of the forester's death, received from the Range Forest Officer, Begur Range

P.T.O.

is enclosed herewith.

The deceased had put in a service of 7 years, 10 months and 27 days in the Department. At the time of his death, he was a permanent II Grade Forester on Rs.26/- in grade Rs.20-3/2-35 It is reported that he has left behind, his wife, two minor sons and one minor daughter and an aged father, as detailed in the accompanying list of the names of his surviving kindred. The District Forest Officer, Mysore Division has reported that the wife and children of the deceased are now depending for their maintenance entirely on Krishnasingh, father of the deceased, who is a Forest Guard on Rs.15/- and is to retire shortly. Copy of Report No.633 dated 22nd May 1941 from the Range Officer, Begur, to the District Forest Officer, Mysore.

In continuation of this office No. 581 dated the 27th ultimo submitting report of the sad demise of K. Umesingh, Forester, Begur, begs to report the details of the accident. The history of the accident is as follows:-

On the morning of 27th April 1941 as usual, he went with Guard Madasetty at about 8-15 A.M. for planting work on cycle. After 20 minutes, he left Begur, the undersigned followed them to Muthige Plantation. At about 9 A.M. he reached Halekerehalla where he met Guard Madasetty and a batch of Bettakurabars from Maranhadi who were also going to Muthige Plantation for work, who informed the undersigned that Forester K. Umesign was killed by a wild tusker about 15 minutes back.

Guard Madasetty further stated that Forester Umesingh all on a sudden beyond the 5th mile stone, very near Ayyapas grave dropped his cycle and ran back. The Guard immediately followed suit and began running. After he ran for some distance, he,it appears, came to know the cause for flight - that they were chased by a wild tusker. Umesingh, it seems, ran on the road for a short distance and crossed the side drain to the left and ran along the side drain. Here he seemsto have got entangled with scrubs and ran for some distance and all the while the tusker chased him. When the Guard after running for some distance, turned back he saw the tusker killing the Forester and running away. After sometime when the elephant went away, he went and saw the Forester and found him dead.

He further stated that he and the Forester met the batch of Kurubars beyond Chamankatte i.e., beyond the 4th mile stone and after asking them to follow soon they proceeded.

After examining the body of the Forester, the undersigned examined the spot where the cycle had been dropped on the road. Umesingh's cycle ~~ah~~ had been dropped very near the place where the elephant was coming to the road. Madasetty's cycle was about 4 yard

yards behind the Forester's cycle. The elephant had got down to the road very near the second cycle and seems to have chased Umesingh. After having ran for about half furlong the Forester seems to have fallen and here the tusker gave him a kick. The elephant seems to have given him half a dozen kicks before he left Umesingh. After having made arrangements to keep safe the body the undersigned returned to Begur for taking further action.

The inquest by the Police over the body of the Forester was held on the 28th ultimo and was delivered to the parent of the deceas
